Each 4/6-berth caravan is all-electric with a £1 meter to supply heaters, full oven and cooker, microwave, television video & DVD player. There is a separate fully plumbed in shower, toilet and washbasin. These units are **self-catering** so you will need to bring all essential items.

We are unable to supply bedding, but there are pillows and blankets for extra warmth, **you will need to provide your own bedding/sleeping bags.**

Because of strict fire regulations we are '**No Smoking**' anywhere on the premises. Dogs are welcome at £5 each, maximum two dogs per caravan, please advise in advance. We love dogs, but for their safety they must be kept on a lead around the yard and caravan area.

All caravan booking proceeds go to '**The Flicka Foundation**' our sanctuary for elderly, unwanted and ailing horses and ponies – as well as rescued pigs, sheep, cows, cats and many other small animals!!

Horse riding lessons can be arranged.

Remember, we are not a caravan site – there is no laundry room, café, bar, disco or shop – just green fields and horses enjoying the twilight years of their lives in peace, and because of this we can not permit ball games on site. We are sorry to sound like 'killjoys', but you can walk around the yard and go over the fields to say hello to our 'friends' (accompanied by an adult) – who generally love a Polo mint!!

Having said all of this you are not far from anywhere in Cornwall and there are hundreds of attractions nearby. We are about four miles from Falmouth with its beaches and boat trips, and as the crow flies about the same from the National Trust beaches like 'Durgan' and 'Trebah Gardens', we are not far from Flambards and for a half hour car journey there is the 'Eden Project'.

We are an animal sanctuary – so this holiday accommodation is for folk who honestly love animals and the countryside. The caravans are in their own landscaped enclosed area, but you are in close proximity to the horses.

Please email with any questions you may have. Come and enjoy a holiday with a slight difference!
